CURRICULAR ACTIVITY:

Educating the youth and thereby spreading word of mouth awareness would create an impact on the society at large. Hence, the college organized a unique event for the students "BEST SELFIE COMPETITION" portraying a strong Cyber Safety message alongside the selfies. The said competition was organized on 29/08/2025 (Friday).

Students showed enormous excitement in the said competition which not only added a fun element to the event, but also a serious commitment exhibiting a Selfie Message along with their selfies. A special Selfie Frame was made displaying a message "I will protect myself and my family from Cyber Threats- Awareness is my Firewall!". The event highlighted the concept of "FUN WHILE YOU LEARN" wherein students enjoyed every moment in creating a memory but with a commitment towards learning how to safeguard themselves and their known ones from the rapidly growing cyber frauds. Students as a responsible Digital Citizens enthusiastically participated and committed to spread further more awareness amongst their close friends, family and/or relatives and safeguard them from the online digital scams and/or frauds. The overall participation left us with a positive message in showing their commitment towards spreading the message strongly further.

The students further as a part of competition were given a freedom to edit their selfies further applying their creative skills with certain basic rules. The said competition apart from the fun obtained while clicking selfies, also got to see the creative skills of the students while editing their selfies.

Apart from the students, various Faculty members & Administrative Staff also enthusiastically participated in the said event making it a huge success.

The said competition was co-ordinated by Assistant Professor Dr. Tejas Gandhi (Cyber Club Co-ordinator) and Shri. Nupur Shah (Cyber Club: Committee Member) together with the support of the Principal of the college Dr. Yogesh Yadav and all other teaching & non-teaching staff members.
