Rapid growth of technology usage has definitely given a boost to the work speed, work methodology and ease in doing work. It has definitely transformed the world into a Digital Space wherein along with its benefits, it has also brought in so many challenges, scams, and problems in safety & security. Cyber Club (CAWACH) of Shri. K. K. Shastri Government Commerce College, Maninagar (E), Ahmedabad in order to spread more and more awareness amongst the educated youth of our college had organized an event “Pledge Taking Ceremony for Online Safety and Digital Wellbeing”.

Educating the youth and thereby spreading word of mouth awareness would create an impact on the society at large. Hence, the college had organized a special event for the students named as “PLEDGE ON ONLINE SAFETY AND DIGITAL WELLBEING” on 29/08/2025 (Friday). Students as a responsible Digital Citizens of modern Bharat, enthusiastically participated and committed verbally to spread more awareness further amongst their close friends, family and/or relatives and safeguard them from the online digital scams and/or frauds. The overall participation left us with a positive message in showing their verbal commitment towards spreading the message strongly ahead.

The said competition was co-ordinated by Assistant Professor Dr. Tejas Gandhi (Cyber Club Co-ordinator) and Shri. Nupur Shah (Cyber Club: Committee Member) together with the support of the Principal of the college Dr. Yogesh Yadav and all other teaching & non-teaching staff members. A special support was also extended by Cyber Club: Student Volunteers in making the event smooth and successful.
