To

18th September 2021

PRINCIPAL	DR. YOGESH YADAV
ASSISTANT PROFESSOR	SUHAAG MAHERIA
C.E.I (LADY) FROM GUJARAT STATE COOPERATIVE UNION	DIKSHITA PATEL

From September 13 to September 18, 2021, Shri K.K. Shastri Government Commerce College successfully organized Youth Cooperative Society classes, promoting cooperative education and fostering a deeper understanding of cooperative principles among students. Over six days, interactive sessions were held to enhance students' knowledge of cooperative societies' principles, benefits, and applications in real-world scenarios.

These sessions extensively covered topics such as Milk Cooperative Societies, Finance Cooperative Societies, and Agriculture Cooperative Societies, offering students valuable insights into these models' principles, operations, and roles in economic development and social welfare. All the Social distancing norms and Covid guidelines followed strictly. This initiative emphasized cooperation as a practical and sustainable approach to economic and social growth, equipping 76 BCom students with skills applicable in professional and entrepreneurial settings.

The valedictory function for these classes was held on September 18, 2021, at Shri K.K. Shastri Government Commerce College, concluding a follow-up program organized from September 13 to September 18, 2021. During this week-long program, students further explored the importance and role of cooperative societies. At the valedictory event, students shared their feedback on the program. Prof. Suhaag Maheria and Prof. Vaibhav Gallani addressed the attendees, and Dikshita Patel shared valuable insights and concluding remarks with the students.
