:: About us ::

Eastern part of the Ahmedabad has historically lagged behind the western region in terms of development and access to basic amenities including avenues of higher education. It was with this perspective that the institute was set up on 6th September, 2005 as a part of the efforts to narrow down this divide and also to provide the students belonging to the eastern region, access to education leading to Bachelors degree in the discipline of commerce. The college had its humble beginning in the premises of Ramkrishna Krishna Vidyalaya, Maninagar with just 45 students and a few faculties deputed from other Government colleges. Soon, realising that a college in the school premises would not be feasible in the long run, we got shifted to our present location which was formerly known as Bihari Mill Compound.

:: Vision ::

We envision a world in which every student attains the right to survival, protection, development and participation and hold the power to create opportunity for themselves and others and access to research and education

:: Our Core Value ::

- Holistic Development
- Social Responsibility
- Leadership Skill
- Employability Skill

:: Mission ::

To provide a locally revered and nationally recognized education to undergraduate commerce students. To move tirelessly on the path of excellence and perfection by adopting the latest technology, developing the personality of students in a holistic manner by combining skills and values, equipping students to face the realities of life. To improve the standard of the courses offered through innovative and effective teaching methods and curriculum development. To develop new knowledge through research activities and dissemination of knowledge through publication of scholarly works. To provide and encourage a global outlook and access to faculty and students' development. To initiate and promote experimentation and innovation. To develop the spirit of national integration and create a sense of Indianness.
