The purpose for the said club is to educate students on the safe and responsible use of technology. It would aim at teaching the students how to avoid cyber bullying, identity theft, and financial fraud, while also promoting a secure learning environment and responsible online behaviour. A knowledge about the potential risks associated with technology, such as cyber attacks, identity theft, and online harassment helps them to protect themselves and their personal information. It is also a step towards preparing the future generations for the challenges & threats lying ahead and making them a secured and responsible Digital Citizens of the country.

Underlying the objectives above, the “Cyber Club” of the college had organized an “Essay Writing Competition” on 17/07/2025 (Thursday) for its students to know the present knowledge of the students in this area. Students through their Writing and Presentation skills penned down their thoughts on the topics allotted and participated in the said event enthusiastically. The overall participation left us with a positive message of their thrust to learn in depth about the said topics. The topics allotted for the Essay Writing Competition were-Impact of Cyber Crime on Internet Banking (ઈન્ટરનેટ બેંકિંગ પર સાયબર ક્રાઈમની અસર), Role of Cyber Security Cell in Modern Bharat (આધુનિક ભારતમાં સાઈબર સિક્યુરિટી સેલની ભૂમિકા), “Technological Advancements in Cybercrimes and Fraud(“સાયબર ક્રાઈમ અને છેતરપિંડીમાં ટેકનોલોજીકલ પ્રગતિ), Cyber Crime and Necessity of Cyber Security (સાયબર ગુના અને સાયબર સુરક્ષાની આવશ્યકતા). Students were given one hour to pen down their thoughts on any given topic of their choice and in any mode of language i.e., English, Gujarati and Hindi, which they are comfortable with.

The said competition was judged on various parameters like Content, Structure of the content, Topic Justification, Calligraphy, flow of words & level of language used and overall presentation by Shri. Suhaag Maheria.

The said competition was co-ordinated by Assistant Professor Dr. Tejas Gandhi (Cyber Club Co-ordinator) together with the support of the Principal of the college Dr. Yogesh Yadav and all other teaching & non-teaching staff members.
